Re: Personal Recommendation for Bill Dobyms
CPARB, Vice Chair

Dear Talia:

This letter will serve as my personal reference for Bill Dobyms regarding his interest in serving as Vice Chair for the Capital Projects Advisory Review Board (CPARB).

I have known Bill for approximately 10 years and have worked with him on multiple projects as well as matters associated with the advancement of project delivery.

I have known Bill to be extremely knowledgeable on traditional project delivery as well as GC/CM, Design-Build and private construction. In addition to helping run one of the region's premier general contractors, Bill is generous with his time on the Project Review Committee and not-for-profit organizations.

Please extend my strong vote of support for Bill to CPARB.

Sincerely,

Daniel J. Chandler, PE, AIA
Principal
